

Bicycles and Storage Lockers

March 31, 2025

Bicycles:

All bicycles in the storage room attached to the laundry room must be registered with the condo manager's office by May 16, 2025.

If a bicycle is found to be inoperable, or without a registration tag, after midnight on May 16, 2025, it will be removed for disposal by the management.

If you will be away for an extended period, please consider storing your bicycle in your unit until you return.

If for any reason you will not be able to comply with this directive, please let Mark know as soon as possible.

Please see Mark in the office to obtain a bicycle permit before May 16, 2025.

Storage Lockers:

All storage lockers must be registered with the condo manager's office by May 16, 2025.

If a storage locker is not registered in person, by email, or by calling the office before May 16, 2025 the lock on it will be broken off and all items in the locker will be removed.

The Manager will keep a digital record of all lockers and their registered owners in a secure file.

Contact Mark Applegate as soon as possible to register your storage locker.
